

## HOW DO I GET INVOLVED?

SEPTA is opened to the whole community. You do not have to have a special needs child to get involved or to be welcomed into the association.

We meet the 4th Wednesday of each month at 6:30 PM. We meet at the WA/WM Administration building located at 1205 S. 70th Street on the 7th floor. If childcare is needed in order for you to attend, please let us know and childcare will be provided.

If you would like to become a member, the cost is only \$7.00 and it is good for the entire school year.

If you have any questions or if you are interested in joining, please feel free to check out our website and one of the board members will be able to assist you.

## WHAT IS SEPTA?

SEPTA is a parent and teacher association designed to bring together those in the special needs community of the West Allis/West Milwaukee district. There we discuss topics pertinent to children with special needs, what our role is in their educational process, and ways we can raise awareness, increase educational opportunities for all and incorporate special education to every aspect of the West Allis/West Milwaukee School District.

## OUR OBJECTIVES

SEPTA will provide educational and supportive resources to special education students and their families while working with the West Allis/West Milwaukee School District schools and staff as well as community organizations. SEPTA will work in collaboration with these individuals and resources to ensure the goals of the organizations are met.

## OUR GOAL'S

- \*Monthly meetings with guest speakers
- \*Bi-annual outings for all the special needs children and their families
- \*Support groups geared towards each special needs diagnosis
- \*Parent mentor program where parents of children that are newly diagnosed can get support from a parent that has already been through the system
- \*Parent liaison program to unit and work with each school's PTA in the West Allis/West Milwaukee district
