State Mailing Final Checklist

Did you....

- ✓ **Check to make sure your PTA is in “Good Standing”?**
Audit submitted
Membership dues paid
Bylaws are current

- ✓ **Double check all projects so that they comply with specific requirements of each art category?**
ie: measurements – including mat, multiple copies if needed, project information is complete, etc.

- ✓ **Check to make sure each entry form is completely filled out?**
ie: complete student information, signatures – student and parent, local PTA information, etc.

- ✓ **Make copies of all Participation / Tracking Sheets**
Be sure to follow the directions for entries that were not forwarded to state for judging. (ie: out of 100 visual art entries 40 were not forwarded.)

Be sure to follow the directions for entries that are forwarded to state. Failure to do so may have your school disqualified.

Projects that are not sent along for state judging should be kept by you until the rest are picked up at the Reflections Luncheon held during the April Convention. (Please have a representative or winner from your school attend the luncheon to pick up all entries submitted to State that do not need to be kept for National judging – they will not be mailed.)

That’s it! Please don’t hesitate to e-mail or call me if you have any questions:
